ABOUT ME

Enthusiastic about IT programming with a passion for learning and a proactive approach to tasks. Actively building foundational skills and seeking more knowledge to pave the way for a rewarding career in the field.

WORK EXPERIENCE

MG MOTORS | Encoder 80 hours OJT

This role has enhanced my organizational, time management, attention to detail, Excel proficiency, teamwork, and problem-solving skills by efficiently categorizing customer-fixed files and ensuring smooth workflow.

Nexxus Lab (486 hours OJT | Web Developer)

Working at this company has enhanced my ability to follow instructions and manage tasks. Guided by our supervisor, I handled group and individual assignments, improving my efficiency and teamwork skills. This experience strengthened my organizational skills and attention to detail, ensuring smooth task completion.
